CROSSFIRE 800GTs

Side by Side UTV

The 650kg towing capacity is class leading as well as having one of the largest cargo beds in the segment.

The 800GTS from Crossfire is a fast and agile full size UTV. The 4-stroke fuel injected engine packs plenty of power to handle any challenge.

The new model has engine braking, selectable 2WD and 4WD drive modes with a front diff lock, electronic power steering (EPS), independent suspension, ROPS roll cage, seat belts, large gas assisted tip tray, roof kit, winch, tow package and more.

The 650kg towing capacity is class leading as well as having one of the largest cargo beds in the segment.

Loaded with accessories, the 800GTs comes standard with

- 1,500kg winch
- Roof and doors
- Windscreen (2pcs foldable)
- Aluminium wheels
- Mirrors
- Lighting (Halogen headlights and LED all other lights)
