Off-road Buggy

Amazing mid-size off road buggy is great for youth riders and will allow you to kick up some dirt.

Get ready to tear up the trails in the Crossfire Blazer 200R. This durable mid-size off road buggy is great for youth riders and will allow you to kick up some dirt at a max speed of 45 km/h. The Blazer is suitable either one or two riders and can hold up to 130 Kg total, so you're able to bring your friends along for a fun ride.

The Blazer 200R off road buggy features a 4-stroke single cylinder air cooled engine, adjustable driver's seat, parking brake, and light duty adjustable shock absorbers. This buggy is best suited to smoother trails and will handle gradients of up to 12 degrees. It is not designed or suited to doing jumps.

If that isn't enough for you then you'll be pleased to know that LED headlights are factory fitted. There's not a whole lot that can get much better for buggy fans, but if you really want to go there you should probably know that this buggy actually has a larger tank than many other models. You can fill her up with 6L of fuel which should provide you with a fun filled day no matter what terrain you're in.

FUN and Safety Warning!!! - Be prepared to have lots of fun, however we recommend this buggy should only be driven with a helmet on, seat belts secured, and hair tied back.
